**The Vino Series Goes to Black**

The extremely popular Vino Rails and Vino Pins are now offered in a super cool anodized black aluminum finish!

This new finish is available for shipping beginning Tuesday, March 8. We've been showing product samples at tradeshow and events this year, and the feedback has been fantastic.

The anodized finish is a beautiful, rich stain to the milled aluminum and looks great alongside all of our Wall Series finishes. This new finish launch comes along with a price adjustment to the series.

Pricing Effective Immediately:

- Vino Pins Extensions (all finishes): \$15 (drop from \$17)
- Vino Rails (all finishes): \$13
- Vino Rails with Collars (all finishes): \$15

**About VintageView Wine Storage Systems**

Since 2001, VintageView has been the leader in contemporary wine storage with our patented label-forward products. Our product catalog features an array of metal-based wine racks that are adaptable for collections large and small, private and commercial. Based in Denver, Co., we distribute and sell our rack solutions all over the world.
