**VintageView adds to the Vino Series with the brand new Styx**

**Denver, CO** | Forget linear rows and columns for a minute. Vino Styx let the inner designer in your customers run wild. This single-bottle cradle borrows from the design of our popular Wall Series and adds the versatility of anchoring each bottle independently.

Configure a contemporary, label-forward wine display in any shape imaginable with the latest addition to the Vino Series.

Vino Styx are available in two finishes: Satin Black and Brushed Nickel. Constructed of durable steel, they attach to any wall surface, even drywall.

**MSRP:**

- \$10 for Satin Black (SKU: VS-K)
- \$13.50 for Brushed Nickel (SKU: VS-P)

Vino Styx will be available direct through VintageView and our extensive distributor network including Wine Racks America, Rosehill Cellars, Wine Enthusiast and more.

**About VintageView Wine Storage Systems**

Since 2001, VintageView has been the leader in contemporary wine storage with our patented label-forward products. Our product catalog features an array of metal-based wine racks that are adaptable for collections large and small, private and commercial. Based in Denver, Co., we distribute and sell our rack solutions all over the world.
